Abstrak

The Shenzhai Courtyard is a very good traditional architectural cultural heritage and folk house art treasures in China. It plays an important role in the study of folk houses and folk culture and has important reference significance for modern Chinese architecture. Sun Dazhangs The Art of Traditional Chinese Folk Residences selects my countrys well-preserved residential architectural art boutiques to show the breadth and depth of traditional courtyards. It fully demonstrates the very good personality and style of the deep house compound in our country. The majesty and imposing manner of the official residence.
